CERTIFICATION STATEMENT

In submitting this PAPER PROPOSAL I state and certify that:

- a. This is an **ORIGINAL PAPER & PRESENTATION** that has not, and will NOT BE PRESENTED NOR PUBLISHED anywhere else PRIOR TO the **IMAGE 2016** Conference AND will NOT be presented or published elsewhere within one year after IMAGE.
- b. If the paper is accepted, AT LEAST ONE (or more) of the Paper's Authors will attend the conference to present the paper, and stay to interact with the other attendees. ALL AUTHORS and CO-AUTHORS attending the conference for any period of time must register for the full conference. Any attending co-authors must register at the regular rate. No partial or daily registrations are offered.
- c. The **ONE PRESENTING AUTHOR**, in addition to the recognition of the simulation community derived from presenting the paper at IMAGE and its publication in the Conference Proceedings, **will receive a 50% discount** on the **Conference Registration Fee. US Gov't Agency/Military PRIME AUTHOR** presenting his/her paper - **Free Registration (NON-TRANSFERABLE)**.
- d. I understand that each individual may make a MAXIMUM of ONE PAPER PRESENTATION per Paper Session.
- e. The paper is **NOT a US Government classified paper**.
- f. **Distribution of the paper is unlimited** and may be distributed worldwide.
- g. The author(s) will obtain all necessary clearances, approvals, funding, copyright license, releases, etc. required by their organizations and government to attend the conference, present the paper, and to have the paper published in the conference proceedings with distribution unlimited.
