

**WELCOME
to
IMAGE 2017**

**Prime Host
Boeing Training & Professional Services**

**Mr. S. Scott Whitaker
Honorary Conference Chairman**

On behalf of the IMAGE Society and Boeing Visual Systems, I welcome you to IMAGE 2017 and to the University of Dayton. Boeing is honored to be the host of this important and unique technical conference focused on visual simulation and related technologies. As conference chairman, I am privileged to be your Master of Ceremonies, and welcome you all to what promises to be once again a valuable scientific and business exchange in our industry. We expect newcomers to join the conference along with seasoned experts, as well as a growing contingent from the US Armed Forces. Over the years, IMAGE has continuously evolved to allow us to discuss the most relevant technical challenges we face to better train the warfighter. We have a full agenda planned with two days of valuable technical papers, industry presentations, greet & meet exhibitor demos, and networking opportunities.

I look forward to seeing you at the University of Dayton River Campus on June 27th!

A handwritten signature in black ink, appearing to read 'S. Scott Whitaker'.

Sincerely,
S. Scott Whitaker
